“ Tom and his family have been friends of ours for years. His knowledge of computers was amazing. When Tom would have to come to the house to work on our computer. he would always tell our cats to stay away from him as he was "Alf" and he eats cats! The threat worked! Great sense of humor!
Prayers and condolences to Betty and family.

“ I remember working with Tom & Betty to put together the Country Fair, which has become a tradition in Presque Isle. Their tireless efforts got that event off the ground back in the 1980s.

“ We are suddenly sad to learn that Tom has passed. We sure enjoyed getting to know him and all his help and expertise to our computer world. We will certainly miss him, his knowledge and his witty sense of humor. I hope to have his skype photo for a long time.
