“ *Mr. Heyer was my son Billy's first teacher at St. Walter's after homeschooling him for his first 5 years. I remember thinking he was kind of gruff at first, but then got to know him and Lilly, my daughter was his last class before retiring. Our family grew to appreciate his love of history and the Packers. He will be missed. My sympathies to his wife and children.*

“ *Tom Heyer was a wonderful man. He was my "work buddy" for twenty-two years at St. Walter School. We shared many good times and much laughter over the years. I am blessed to have known this gentle, kind man. I am honored to call him friend. George and I are so happy that we were able to celebrate some great times with Linn, and Tom in the beautiful north woods. God bless Linn, her daughter, and Tom's girls and their families. “ My dear brother has reached his final goal. He's in Heaven with our parents, grandparents, brother, and numerous friends. Our Catholic Faith was not only practiced, but lived. His humble, gentle ways were a sign of his Faith in Christ's meek and humble heart.

So happy when he and Linn moved up north with clean air, beauty of the forests and lakes and good friends who became their family. My love for you will never diminish. 'Til we meet again, Tommy RIP.
