“ When we were all still in grade school they had a skating rink. We would play crack the whip and Wally was always the lead skater. He would look back and laugh as he was whipping us off the line. I will never forget his laugh or his awesome sense of humor

“ *When we were all still in grade school there was an ice rink behind the school. We would play crack the whip and Wally was always the lead skater and as he threw us off he would look back and laugh. I will never forget his laugh or his awesome sense of humor*
