“ *Sonny was truly one of the best men I had the honor of knowing and working with during my teenage years at Trails End. Called it like he saw it and made everyone feel welcomed and appreciated. He was the perfect Ying to Joanne's Yang on a Friday night.... We all just smiled back in the kitchen when Joanne was putting Eric and me "Back in Line" and he'd wander back after and chuckle and make sure I was staying after work for a few beers....  
The first time I came home from the Navy, he came around the bar and bear hugged me and told me how proud he was of me. That was special.....  
RIP Sonny and thanks for being what you were to me.... A father figure and a great man!*
