

Watson "Corky" Bennett

March 22, 2015

Watson "Corkey" Bennett passed in peace March 22, 2015. He will be greatly missed.

He was preceded in death by his beloved wife, Patty. The love and appreciation they both had for the Northwoods became even more evident when they made it their residence 25 years ago.

Corkey followed his father's profession and became a pharmacist, a profession at which he worked until he was 72 years of age and at several different places in the Lakeland area and surrounding communities.

Many thanks to all who helped with his care. Corkey received much joy from those who helped with his needs.

At his request, no services will be held.

“ *Mr. Bennett was a nice old guy; he always walked Bobby around 4 pm every day. When I didn't see him for about a month I wondered what happened; then I saw his obituary in the Lakeland Times. Poor dear, he couldn't walk without a walker because he said his doctor advised it because he kept falling too much. So sorry to hear that he died.*
