“ You know I realized today, three years later why I love up north so much.. it wasn't the place even though it was great, it wasn't the lake even though it was beautiful.. it was because I got to hang out with grandpa. I got to go to breakfast with him and get a scratch off after. It was me getting bragged about to all his friends. It was riding the tractor around the driveway 'til it ran out of gas. It was the Westerns. It was him saying partner. It was that look that made you smile. That's why I love up north.

“ Dear Family,

*Our thoughts and prayers are with you. I have alot of happy memories of Uncle Wib. He always had a smile on his face and a joke to tell. Although we didn't live in the same city we always loved when he would stop by my parents home in Wausau or the cabin up north. It is so sad to think the men in that generation are gone. It's been 11 years since dad died and I still miss him every day. There were always alot of good stories about the Nimz boys. I hope they can be passed down to the next generation. Our love is with you.
Your cousin,*

“*Kia ora Susan, Steve, Sandy, Debbie, David, Bruce, and family, My thoughts and condolences to you all. I was notified of Web's passing by John Titel, who lives up north as well, and find myself very moved by my thoughts of home, Web, and all of you. I know how upset my mom was when Nancy died, and with Kathy's recent health scare I am sure this will upset her greatly as well. The memories and events of my childhood on Tommark Street are still very strong within me, and Web, and all of you, were such a very huge part of that. In our lives it seems we rarely get to meet people who are truly larger than life, for me Web was one of those men. I still think of Sugar Camp lake often. If anything brings warmth to me today it is the thought that perhaps somewhere the spirits of Web, Nancy, and Kevin are together. Kia kaha (Remain Strong), and please accept a far away hug.*

Aroha,
Robb

“*Joan and I are very sorry to read of your father's death. Web and I shared many good times together working for DeIMonte and just hanging out. He was a good and loyal friend and always had a smile on his face. He loved life, his family and beer. You have our deepest sympathy. Dennis & Joan Glysch.*

“ Steve and Cindy,
Have recently been thinking about you both and wondering where you were after Eau Claire Days - so today did some exploring and how fortunate/unfortunate to find you but as a result of your Dad's passing. So sorry to learn of your sad event. Hope we can reconnect.
