

Willi Kruschinski

February 23, 2016

Everyone in Wisconsin knows Willi Kruschinski age 74. He passed on February 23 peacefully. He was Winchester WI resident, formerly of Hamburg Germany. Willi was known for his boats, lures, and pig roasts which he will tell you were the best. Willi had a love for hockey and enjoyed a few Blackhawks Stanley cups in his life time. Willi was a true gentleman that could always strike up a conversation with the ladies. Willis love for boats and fishing was known by all and you could always find him fishing. Willi leaves behind 5 beautiful children, 2 grandchildren, and a legacy that is unmatched by anyone. His stories were touching and fascinating. His heart was warm and kind. Today he sails the lakes of heaven making stories where one day we will all hear. He will be buried at the Winchester cemetery at 11:30 on Monday February 29 with a lunch of laughs and storytelling immediately following at Sky-view restaurant in Presque Isle WI. Bolger Funeral and Cremation Service of Minocqua and Woodruff is serving the family. Visit www.bolgerfuneral.com to share condolences.

“ I am very sorry to hear of Willi passing. Just hear today. Dan and I were planning a trip down to see him and missed out. I worked for him for many years and became good friends. He taught me so much about boats and from what he taught me I worked 20 years in the trade. I could go on all day of the great conversations we had and would like to catch up some day with you kids. Contact me thru facebook. Thank you and Thank you Willi. Sincerely, Byron Perttula.

“ I met Willi back in 70's when he had Turtle Lodge. I worked for him in the kitchen. He was an awesome person. We had a lot of fun working together he always had me laughing .I will miss him. We also shared the same birthday. My thoughts and prayers go out to his family. Debbie Meier

“ As an employee at the Mercer ICO I had the privilege of serving Willie on the days when he came there to buy his bait to get out and do what he loved! I recall, on one of those occasional stops...we chatted about his appearance on PBS, where I believe he was one of the uniquely talented people who were chosen to represent Wisconsin on the show, focusing not only on his beautiful Hand crafted boats, but his Chef skills as well. Although I did not know Willie on a very personal level, it wasn't hard to imagine knowing him for a lifetime!
I could sense a treasure trove of memories and experiences just waiting to be shared. His passion for the things he loved was clear as he described his craft to me. May his legacy live on! My deepest sympathy to your entire family in your time of loss. Georgia Davis.
