“*Pearl, even though I did stop by alot, you and Bill were always good to me. I have good memories of Uncle Bill. He will be missed greatly. However, the biggest memory I have among many others; is when dad was overseas, Bill would help me with my homework. He would always check my pencils, even took his knife out to sharpen them. He would always tell me; you can't do a need job without a sharpen pencil. Today up to this date I get mechanical pencil, they never dull. God bless you and give you peace. With all my love and prayers. Carrie*

“ Glad that Floyd got to see you both not too long ago. He has fond memories of both of you. We were saddened to learn of Bill's passing from Sam and Jenny. Sorry that we do not have access to an address for you, but want you to know we are thinking of you in your time of sorrow now and in the days ahead.
