“ We just found out of Bill's passing. Our thoughts and prayers are with you all. Whenever we were at the cabin we would have to stop & talk with Bill, while trolling out. He always updated us on what we missed. We were more than happy to help him this past fall to get the pontoon boat in the garage & help get what ever he needed to close up for winter into the garage. We're grateful for him supporting the military & contributing with the help of others for the memorial wall. Bill will be missed dearly. Papoose Lake will not be the same. Sending our condolences to you all. Neighbor Jim Salmi & Alice 🙏❤️

“ Judy so sorry to hear about bill. I remember that we would get of work and go have a few beers then we would go to your house and have a few more. Kevin would be whining that he wanted us to take him somewhere then bill came home took him and went and got us subway do you remember that. Then sometimes I would call you at night if you call 7:00 pm night and you two would be in bed already watching tv lol. He had a good life and he lived it to it's fullest. Sending healing prayers for you and your family 🙏🙏🙏🙏 we had a lot of fun together.
