“ Willis, You were Always such a good friend to me, and forever will be in my memory...you fought so many battles alone, I guess it was time for you to go back home. Forever a Warrior Willis Kimberly "Bucky" Wildcat-Chapman, I will miss our talks and laughs very much and will miss all the phone calls each week... I know we will meet again someday my old good Nijji, You were the Bestest Friend to me all these years! So sad to see you go, as you have passed into a new journey, brave as you always were, your time here is now over. I will keep being the strong mother to our daughter, "Cih kwan nuh kiw", Anika, and teach her all I can yet, just for you, because I know you'd never leave us two. So many good memories...I'm glad we kept in touch and had a special friendship many people never know in life, and I'm grateful our daughter got to know you as she did, and love you as her Dad. I know you'll always be watching over her from above...RIP Bucky! Posoh, Karen Ayo Wetok WhiteEagle
